Harness the power of visualization

Showcase your products and quickly move shoppers from inspiration to purchase.

Create incredible shopping experiences

Build consumer confidence and encourage shoppers to focus on value, not price.

Shorten the buying cycle

Reduce the time from awareness to purchase for shoppers.

Stand out from the competition

Deliver memorable shopping experiences that generate word-of-mouth references and repeat business.

Increase conversions

Shoppers are up to 5x more likely to purchase when they can view your products in their space.

Here's what's included in Roomvo Assistant:

Feature	Description
User-friendly product catalog	Customers can filter, search and identify favourites within your Roomvo product catalog.
Photo upload	Customers can effortlessly upload their own photos to the visualizer.
Compare mode	Customers can view product options side-by-side in a visualized room for easy comparison.
Product viewing options	Customers have the flexibility to rotate products and zoom in to see intricate details.
Self-serve capability	Manage your supplier selection quickly and easily.
Image download	Customers can download the final version of their visualized images for personal use.
Image sharing	Customers can share their visualized photos via email, Facebook, WhatsApp, SMS and other channels.
QR codes	Customers can launch the visualizer directly from QR codes on your product samples or marketing materials.

The Roomvo advantage

Fast and easy integration

Roomvo Assistant can go live on your website in minutes, not days.

Advanced visualization

Roomvo brings your products to life, with unparalleled accuracy for lighting, shadows, product variation, scale and more.

Access to 100+ brands

Easily incorporate up-to-date products from over 100 brands into the visualizer, ensuring that your product catalog is readily available for seamless search and engagement.

The complete picture

Shoppers can view flooring, walls, countertops, backsplashes, and more in a single seamless experience, encouraging them to explore new design possibilities with confidence.

Roomvo is the top visualization solution for the home decor space. This proprietary technology has a proven track record of increasing sales by allowing consumers to preview products in their own rooms in just seconds. Millions of consumers have used Roomvo at leading brands around the world.
